Reference: June Monthly Report (5/1/05 – 5/31/05)

Dear Ms. Trudell:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-The totals listed on Lines 11(a)(i) and 11(a)(ii), Column B of the Detailed Summary Page appear to be incorrect. Please be advised that you should add the "Calendar Year-to-Date" total from your previous report to the current "Total This Period" figure from Column A to derive the correct Column B totals. When an individual's aggregate exceeds the \$200 threshold, the amount should not be deducted from the Column B figure for Line 11(a)(ii). Please amend your report and any subsequent reports that may be affected by this correction.

-Schedule H4 of your report discloses reimbursements to individuals for "Blast fax fee," "Reimb/food/office meeting," "Reimb/janitorial services," "Reimb/office keys," "Reimb/phone billing," and "reimb/phone billing." Please be advised that when itemizing reimbursements to individuals for goods or services, payment to the original vendors must be itemized as memo entries regardless of amount. Each memo entry must include the name and address of the original vendor, as well as the date, amount and purpose of the original purchase must be provided. Please amend your report to include the missing information. 11 CFR §§104.10 and 104.17, and Advisory Opinions 1992-1 and 1996-20, footnote 3

-On Schedule H4, your allocated activity or event year-to-date total calculations for the Administrative category are incorrect. Allocated activity or event year-to-date totals for administrative, voter drive, exempt activity costs and expenses for public communications made by PACs referencing only political parties are derived by aggregating all disbursements during the calendar year for each separate category. Allocated activity or event year-to-date totals for fundraising and direct candidate support activities are derived by aggregating all disbursements during the calendar year within a specific event. These should be calculated by adding the latest disbursement for a category or event to the previous event year-to-date total for that category or event. This running event year-to-date total should be disclosed after each disbursement is listed. Please amend your report by providing the correct event year-to-date totals.

-Schedule H4 of your report discloses payments to "Voter Activation Network," which are categorized as Administrative expenses; however, the purposes of disbursement disclosed are "Voter file maintenance." Please be advised that payments made for your committee's generic voter drive activities should be categorized as Voter Drive expenses on Schedule H4. Please amend your report to clarify the appropriate category for these activities or provide clarifying information regarding these apparent discrepancies.

-Please clarify all expenditures made for "Voter file maintenance" on Schedule(s) H4. If a portion or all of these expenditures were made for activity that promotes or opposes a Federal candidate, but does not qualify as exempt party activity, this amount should be disclosed on Schedule B or F supporting Lines 23 or 25. 11 CFR §§104.3(b), 104.17(a) and 106.1

-On the Schedule L Aggregation Page for the Non-Federal Levin account, the beginning cash balance, Line 7, Column A, should equal the ending balance, Line 11, Column A, of your previous report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-The Schedule L Aggregation Page of your report discloses a negative ending cash balance in the Non-Federal Levin account of \$8,119.52. This suggests that you have either overdrawn your account, made a mathematical error, or incurred a debt. Please amend your report to provide clarifying information.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date

will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1148.
